Message from the Principal

Welcome back to Term 4! I hope all our students, families and staff enjoyed a relaxing and refreshing holiday break. It is hard to believe we are already entering the final term of the school year! We have another exciting term of learning ahead, with plenty of opportunities for students to explore, create and share their learning with our school community.

Term 4 Inquiry – Learning from the Past to Shape Our Future

Our inquiry this term focuses on local and Australian history, particularly the colonisation and settlement of Australia, guided by our

Essential Question:

"How does learning about the past help us make better choices for the future?"

Students will investigate significant events in Australia's history, exploring what happened, why it happened and how these events have shaped our society. An important part of this learning will be understanding the different perspectives and experiences of people, particularly First Nations peoples, and recognising how the past continues to influence our lives today.

Throughout the term, students will become museum curators, researching important historical events and creating exhibits that tell the stories of our past. They will also produce artwork inspired by an event in Australian history that has captured their interest and imagination.

Our learning will encourage students to think critically, appreciate different perspectives and develop a deeper understanding of how the lessons of history can help us make thoughtful, ethical and responsible decisions for the future.

We look forward to sharing the students' learning with our families and community at our Museum and Art Gallery Exhibition later this term. Here's to a wonderful final term of learning, discovery and achievement!

The Curry Mob

We invite everyone to enjoy a live music performance at our school on **Thursday, October 15th at 2:00 pm.**

We are thrilled to host The Curry Mob, a rising Australian brother-and-sister country music duo featuring Mika and Blue Curry.

Lunch Box Reminder

Just a friendly reminder to families that lollies are not permitted in students' lunch boxes at school.

If students bring lollies to school, they will be taken from them and kept safely until the end of the school day, then they will be returned to the student to take home.

We appreciate your support in helping us encourage healthy food choices at school. Thank you!

Prep Transition Days

As we approach the end of the term, we are excited to host our upcoming Transition Days. These days are designed to help students smoothly transition into a school routine, meet their future teachers, and connect with peers in their new classroom environments.
