Health and Wellbeing Inquiry: Future Possible Self

Our students have been making fantastic progress with their Health and Wellbeing Inquiry: Future Possible Self and are busy preparing for an exciting community event!

Our Prep–2 students have begun organising their special event and overnight camp experience. The Years 3–4 students are preparing healthy recipes and delicious samples that will be ready for families to taste on the evening. Meanwhile, our Years 5–6 students have been working hard to develop a community circuit gym, where they will take on the role of personal trainers, as well as developing their exciting Magic Protein Powder.

We are looking forward to bringing all of these fantastic learning experiences together on Thursday 17th at 4:30 pm. Families are encouraged to join us and camp out on the school oval to enjoy a wonderful Health and Wellbeing experience, followed by a movie under the stars.

The students have put a tremendous amount of effort into their inquiries and are very much looking forward to sharing their learning, ideas and creations with our school community!

Lunch Box Reminder

Just a friendly reminder to families that lollies are not permitted in students' lunch boxes at school.

If students bring lollies to school, they will be taken from them and kept safely until the end of the school day, then they will be returned to the student to take home.

We appreciate your support in helping us encourage healthy food choices at school. Thank you!

Brain Food Break

A big thank you to the families who have been sending Brain Food cut up and ready to go each day. It makes Brain Food time much easier and means students can get straight into eating without interrupting learning environment!

Nude Food Days

As part of our ongoing P-2 action plan, leftover food and rubbish will continue to be sent home in lunchboxes to encourage awareness of waste and more sustainable habits. It has also been wonderful to see students and families embracing Nude Food Days on Tuesdays and Thursdays by using reusable containers and reducing packaging.

Father's Day Breakfast

A big thank you to all our dads, mums nans and pops who joined us for our Father's Day Bacon and Egg Breakfast. It was lovely to see everyone together, enjoying a yummy breakfast and spending time with our school community.

Congratulations to our raffle winners which just happen to be dads of our school community!

1st Prize Forage Gourmet Platter and gift voucher

Nathan Walker

2nd Prize Father's Day hamper filled with goodies

Daniel Macklin

Thanks to everyone who purchased raffle tickets, we raised over \$200! All money raised will go towards purchasing new sports equipment for our students.

A huge thank you to everyone for your support, and we hope all our dads and special people have a wonderful Father's Day!

Dentist Visit

The Smile Squad team from Sunraysia Community Health Services are coming to our school on Tuesday 13th of October 2026. Smile Squad is the Victorian Government free school dental program. This means ALL students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care
We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: [Dentisit Visit](#)
OR use the below QR code:

Please complete and submit the consent form by Wednesday 30th of September 2026.

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

Wentworth show - Art Show

This year, we entered some of our students' amazing artwork into the Wentworth Show.

Well done to all of our winners and to all the students who completed a piece of art to enter. You should all be very proud of your fantastic work!

A massive thank you and shout-out to our wonderful MARC Van teacher - **Ms McNair**, who took time out of her busy schedule, as well as her own time, to organise and enter the students' artwork into the show. We really appreciate all the effort you put in to make this possible for our students.

Thank you!

Celebration of Learning – COMMUNITY EXPO & SCHOOL SLEEPOVER

This term, our Inquiry focus is Future Possible Self: Health and Wellbeing.

Our essential question is: How can we make positive choices and communicate effectively to support our health, wellbeing and ability to thrive?

Throughout the term, students have been exploring this question in different ways:

Prep – Grade 2: Sharing ways to promote health and wellbeing with their peers and community.

Grades 3/4: Creating their very own healthy cookbook.

Grade 5/6: Designing a personal training and wellbeing plan.

To celebrate and share their learning, we are inviting our families and wider community to join us for a Community Health & Wellbeing Expo and School Sleepover.

Students will be running workshops and activities throughout the expo to share what they have learnt and promote positive health and wellbeing within our community.

Families and members of our wider community are invited to come along to the expo, with families also welcome to stay the night at school. Dinner will be provided, with tacos on the menu.

EVENT DETAILS

WHEN: 17th September 2026

WHAT: Community Health & Wellbeing Expo & School Sleepover

WHERE: Nangiloc Primary School

WHO: Students, families and our wider community

DINNER: Tacos provided

SLEEPOVER: Families are welcome to stay overnight. Children who stay overnight must have a parent/carer staying with them.

A letter with more information has been sent home with students. Please let us know if your child has not brought one home.

Thank you to those families who have already returned their attendance slip. If you haven't returned yours yet, please do so as soon as possible to help us with our planning and catering.

We can't wait to see our students share their learning with our families and community.

School Camp

Our Whole School Camp is coming up in December. This year we are heading to Swan Hill Pioneer Settlement for a fun few days away together.

Please remember to return your child's permission slip to the school as soon as possible. Thank you to those we have already received.

We are looking forward to a fantastic camp!

WHEN: Tuesday 8th – Friday 10th December

WHERE: Swan Hill Pioneer Settlement

WHO: Whole School

REMINDER: Please return permission slips to the school

Book Week fun at Koorlong Primary School

We started our morning with a Book Week parade at school with the Kinder children to show of our AMAZING costumes!

Congratulations to Charli Bennett, Lenny Sykes, My-Boy Halstead and Charlie Walker (Kinder), who received a Collins book voucher for our Best Dressed winners for their classes. Thank-you to our parent judges!

At Koorlong there were lots of fun activities throughout the day, including a Where's Wally hunt, a Pinkalicious workshop where we made jelly cakes, fairy floss, magic milkshakes and decorated cookies. We also had fun making Derek launchers, Doctor Dog creations and doctor bags.

Thank you to all our students for getting involved and coming along in their fantastic costumes. It was a fun day and a great way to celebrate Book Week together and thank you to Matty for getting us there safely!

Did you know.....

Mr Humes Outside Maths Lesson

Last week, Mr Humes class took their maths learning outside for a fun outdoor maths session on the court. Using chalk and hula hoops, students explored multiplication through arrays and equal groups. It was a great hands-on way for students to practise their multiplication skills while getting outside, moving around and learning in a different environment.

Grade 3/6 Inquiry

For our Grade 3/4 Inquiry project, we are creating a Healthy Recipe Cookbook!

If you have a healthy recipe that you would be willing to share with us, we would love to include it in our cookbook.

You can send recipes to school with your child to give to Miss Mott, or email them to ebony.mott@education.vic.gov.au.

Thank you for helping us create something special for our class!
